THE SCHOOL

CHEK ABC is a K to 12 Christian school operating under the BC Ministry of Education Independent School Branch. It has BC certified teachers serving the whole province assisting parents in educating students with Christian worldview. It provides accredited BC education for students who have chosen home based education. Students who complete Grade 12 will receive from the BC Ministry of Education the Provincial Graduation Diploma (Dogwood) or the Provincial School Completion Certificate (Evergreen).

MISSION STATEMENT

Academic excellence through Christ-centered schooling at home

THE PURPOSE OF CHEK ABC

- We provide Christ-centered support to families who choose home based education for their children
- We provide a high school program with a Christian worldview embedded into our courses.

A NON-DENOMINATIONAL PROGRAM

The program is not operated by a church or any group of churches. We function on a completely non-denominational basis.

INTRODUCTION

Welcome to the CHEK ABC high school program. You will find that this High School Handbook will complement our general program information as found in the *CHEK ABC Parent-Student Handbook*. At the high school level, CHEK ABC teachers work to maintain the same Christian service as found in our regular K-9 program. Information in this handbook will be helpful to you as you plan your high school courses towards achieving your post- secondary goals.

Since CHEK ABC is a Christian school, the educational program is delivered within the context of a Christian worldview. Teachers and parents work together to fully integrate Christian faith as the student works through course materials.

Enrolling in CHEK ABC for a high school program is a great opportunity for a student to gain a Christian high school education at home which, if pursued to completion, will lead to high school graduation and the British Columbia provincial high school Dogwood Diploma, or school completion program of your choice.

The CHEK ABC High School Counsellor will work closely with students to provide information, customize course selection to his/her needs, and to ensure that graduation requirements are met.

NELSON CHRISTIAN SCHOOL SOCIETY STATEMENT OF FAITH

We believe the Bible to be the inspired, the only infallible, authoritative Word of God. (II Tim. 3:16; II Pet.1:20-21).

We believe that there is one God, and that three persons eternally share the Divine Nature. The Bible refers to these persons as the Father, the Son, and the Holy Spirit. God is both self-existent and personal. (John 14:10, 26; 15:26)

We believe that Jesus Christ, His Son, is fully God and fully human. He was born a virgin birth, lived a sinless life, died for the sins of humankind, was resurrected bodily on the third day, ascended into heaven and is coming again in power and glory to establish His kingdom of righteousness and peace. Jesus Christ is the only provision that God has given for people to be reconciled to Him. Jesus' life on earth also serves as the model for the Christian life. (John 14:6; Acts 4:12; 1 Tim 2:5)

We believe that the Holy Spirit is God. He is sent to indwell, guide, and empower the believer and to convict the world of sin, righteousness and judgment. (John 14: 16; Ephesians 1: 19-20; 1 Corinthians 12)

We believe that human beings are created in the image of God. Because of Adam's sin, we have all turned against God and this has resulted in spiritual death for all humankind, which can only be satisfied by reconciliation with God through Christ. God continues to love us and reach out to us. (John 3:16; 2 Corinthians 5:17; Romans 3:23)

We believe that God offers us salvation by His grace alone and we receive it freely as a gift through personal faith in the finished work of Jesus Christ. This Righteous gift of Redemption is received and cannot be earned. God freely offers salvation to all people, and our salvation is secure. (Ephesians 2:8,9; Romans 8:38,39; Ephesians 1: 13; 2:4)

We believe that the church is not an institution, but is the body of believers in fellowship with Christ and with each other. God wants all Christians to live out their spiritual lives in a relational context. This context of Christian love relationships is a crucial feature of our witness for Christ as it reflects God's character to the world. Our mission is to preach the good news and disciple believers locally and worldwide. (John 13:34, 35; 1 Corinthians 12:12-26; Matthew 28:19)

We believe that Satan is the personal, spiritual adversary of God and God's followers. Satan actively opposes the work of the church and the spiritual vitality of Christians. Satan is doomed to final defeat and judgment when Christ returns. (Ephesians 6:12; Revelation 20)

We believe this age will conclude with the return of Christ. At that time, He will complete God's plan. God will then assign all people their eternal destinies. Those who have responded to Jesus Christ with saving faith will receive the eternal life they have already been promised (John 5:24), while those who have not will be eternally separated from God. (Matthew 24:29-31; Revelation 20 Matthew 25:46; 2 Thessalonians 1:5-10)

CHEK ABC HIGH SCHOOL PROGRAM STREAMS

There are several ways students can meet their goals within the CHEK ABC High School Program. Please see descriptors below.

A. BC MINISTRY DOGWOOD DIPLOMA GRADUATION

This Graduation program leading to a Dogwood Diploma requires students to take the prescribed courses and write any required provincial exams. Students need to complete all requirements of the BC Ministry of Education to receive this diploma.

This program provides the most flexibility for post-secondary program choices and institutions.

For detailed information on Graduation requirements towards the Dogwood Diploma, Provincial Assessments, Career Programs, and Provincial Scholarships, please visit the BC Ministry of Education *Grad Planner*:

https://www2.gov.bc.ca/assets/gov/education/administration/kindergarten-to-grade-12/graduation/handbook_of_procedures.pdf

The companion document, the *BC Dogwood Planner*, also addresses top questions high school students may have:

<http://www2.gov.bc.ca/gov/DownloadAsset?assetId=591FF4D8767C417FBB505DA8847D83CE>

B. SCHOOL COMPLETION CERTIFICATE PROGRAM (EVERGREEN CERTIFICATE)

Students on an IEP may choose to pursue an individualized program leading to the Ministry of Education School Completion Certificate. The program is designed around the individual learning needs of a student. This is the best program for students who will not be meeting the learning outcomes for courses in the Dogwood program.

Students who take the School Completion Certificate program may have limited post-secondary options as they will not be writing provincial exams and receiving a Ministry diploma. The certificate will acknowledge that the student has completed a certain number of courses and has spent sufficient time in school, to be ready to move on to various career options.

Often, this is the best choice for student with special needs, as they can pursue their individualized goals in their IEP throughout their high school years. Students who have been on IEP's and need extra time to complete their course of study may do so. Any relevant special funding, if applicable, will be available if the student continues his/her course of study without interruption.

OTHER IMPORTANT INFORMATION ABOUT CHEK ABC HIGH SCHOOL

CROSS-ENROLLMENT

A high school student may enroll in more than one school at the same time. A student may, for example, enroll in CHEK ABC for certain courses and at the same time take some courses at their local public high school or at another distributed learning (DL) school, public or independent. The school at which most courses are taken is the “school of record”, and holds the student file. The CHEK ABC High School Counselor works with families and students in course planning.

Students and parents are required to initiate the process of cross-enrolment in another school should they desire to do so. It is necessary to inform the second school that CHEK ABC is the school of record so that information can pass easily between the schools and grades are accurately reported. Conversely, if a student is taking only one course with CHEK ABC and another school is the school of record, then the parents or student needs to inform the school that the student is taking a course(s) with CHEK ABC.

ADULT STUDENTS

Students have until the year in which they turn 19 to complete full Dogwood Diploma requirements. However, once a student turns 18, he or she has the option to enter the Adult program. A student over 18 can achieve the Adult Dogwood by completing these courses:

- a Language Arts 12,
- a Mathematics 11 or 12
- either three 4-credit Grade 12 courses OR Social Studies 11 (or alternate such as Civic Studies 11 or BC First Nations 12), and two – 4-credit Grade 12 courses.

*Note: For graduated adult students wishing to upgrade or take additional courses, a charge of \$600.00 per course is applied.

INTERNATIONAL STUDENTS

CHEK ABC is a fully accredited and recognized organization authorized to offer schooling to students who are studying in Canada with a student visa.

Students studying in Canada with a student visa are not funded by the BC Ministry of Education. However, they are welcome to take accredited high school courses with CHEK ABC provided they pay the fees per course.

Student fees are payable to **Nelson Christian School Society** by cash, cheque or money order.

- On-line courses - \$1200 per course

Please note: International students must have a current student visa on file with the CHEK office. It is the responsibility of the contact person to ensure the necessary valid Visa documentation for the student is in place while studying in Canada.

REFUND POLICY

In the event that a student decides not to continue their studies with CHEK ABC, it is agreed that the paid student fee will be refunded as follows:

- If the student withdraws prior to activating a course, full payment of student fee is refundable.
- No refund of fees will be provided if the student has completed the activation process.
- In all cases, the Application and Administrative Fee will be retained to cover administrative expenses.

ACADEMIC INTEGRITY

All CHEK ABC students must demonstrate integrity in all of their course work. Our teachers verify student work to confirm their level of achievement. The following strategies are used to help ensure the authenticity of student coursework.

- Oral interviews are conducted with high school students to discuss course content and level of understanding
- Students participate in additional discussions regarding student work via email written exchange, Moodle chats, and forums
- As required, essay style questions are assigned to evaluate critical thinking skills
- Timed written tests are administered
- Cross reference student work with the student's previous or current teacher(s)
- Cross reference student work with standardized test results
- Providing supervised testing by a BC certified teacher
- Checking photo ID at supervised tests

PLAGIARISM

It is expected that all student work submitted is free of plagiarism or cheating. Both are serious offences and result in a grade of “0” on the assignment/test. The student record will reflect that cheating has occurred. A review is conducted with the teacher and Principal to determine disciplinary action and may include:

- Withdrawal or Fail of the course (without refund)
- Starting the course again
- Not being allowed to enroll in another course
- Additional assignments or replacement work being assigned

We consider plagiarism and cheating to include (but is not limited to) the following:

- Copying directly from a text, word-for-word
- Using an attractive phrase or sentence without giving reference to the author
- Using text downloaded from the Internet
- Paraphrasing the words of a text very closely
- Borrowing statistics from another source or person
- Copying from the essays or the notes of another student
- Downloading or copying pictures, photographs, or diagrams without acknowledging sources
- Enlisting the assistance of a tutor to complete assignments
- Accessing previous tests or completed work from previous students in the same CHEK ABC course
- Bringing in cheat sheets or answers to a test or supervised exam
- Having answers concealed on an electronic device (ie – phone) during a test
- Texting or communicating during a test
- Looking at the test ahead of time
- Using the textbook during a test
- Copying or working with another student during a test

COURSE TIMELINES

Students will be given ONE calendar year in which to complete their course(s) once they have activated it. If they do not complete their course(s) within that year, they will have a choice to 1) Withdraw from the course(s) and have to start completely over from the beginning or take the course(s) with another school or, 2) Apply for an extension and pay a \$100 fee that is used to compensate the teacher to continue with the student for up to THREE months after the one-year activation anniversary date. After that extension, if the student *still* has not completed the course, (s)he will be withdrawn from the course and have to start over from the beginning or take the course elsewhere.

SUPERVISED TESTING

Students are required to participate in at least one supervised testing session per study period (Summer, Semester 1, and Semester 2). These testing sessions are mandatory, are supervised by a certified CHEK ABC teacher, and are written at a designated location closest to the student. Original photo ID is required upon arrival. The tests to be taken during the testing sessions are provided by the course teacher.

Each supervised test is worth a minimum of 10% of a student's final grade. A final exam may be required to be supervised and may be worth a greater percentage of the final grade. If a supervised exam is not within 10% of a student's course grade, then the teacher may assign a course grade based on the supervised exam results. If the teacher sees a large discrepancy between the student's independent work and what they produce in a supervised setting, the teacher has the right to use the supervised test mark as a final grade.

Please note: At the teacher's discretion, some students may be asked to participate in two test sessions per study term to ensure student authenticity.

A GUIDE TO COURSE SELECTION

CHEK ABC offers a full load of courses leading to the BC Dogwood Diploma or completion program of choice. Most courses use BC Ministry approved textbooks and resources. CHEK ABC has developed some signature courses that reflect a Christian worldview and include:

Bible 10: Bible 10 is a survey of the Old Testament. This course provides the “big picture” of how the Bible is laid out and encourages the student to respond in a positive way to the truth that is revealed in the Old Testament Scripture.

Bible 11: Bible 11 is a survey of the New Testament. It covers major concepts and events that occur in the New Testament and is designed to provide the student with a comprehensive view of the whole New Testament and a knowledge base for an intelligent understanding of historic Christianity.

Bible 12: Students will choose from the three courses listed below to fulfill the requirements of Bible 12. The courses can only be used to fulfill one requirement – either Bible 12 or Social Studies elective.

Bible courses are not required for graduation with a Dogwood Diploma. However, CHEK ABC students are required to take them as elective credits to further their Christian education, spiritual development and maturity as a Christian.

Social Justice 12: This course emphasizes God’s heart for justice and His call on our lives to join him in proclaiming good news to the poor, binding up the broken hearted, and setting captives free (Isaiah 61). In this course, students use various skills to define and actively explore a variety of social issues on a personal, community, and global level. By taking this course, Christian teenagers learn ways to become agents of change in their own lives, in the lives of their communities, and in our world.

Cross-Cultural Ministry 12: This course allows students to use a church-based missions outreach as part of the course. Students will prepare for, visit, study, and reflect on their experience in another culture. Students will plan and implement various outreach programs during their mission and develop a global heart for the Kingdom of God.

Comparative World Religions 12: This course is designed to promote an accurate understanding of the basic beliefs and practices of each major world religion and world view covered in the course and to show how God is working in other parts of the world to strengthen His church and set people free through the Gospel of Jesus.

Listed below are the common courses students may take with CHEK ABC in the Graduation Program. For up to date course listing and for more information, please see the CHEK ABC website. Required courses are marked with an *
